**CHOKING HAZARD!** – Small parts. Ages 14 and over.

**WARNING!** This product contains button or coin cell batteries. A swallowed button or coin cell battery can cause internal chemical burns in as little as 2 hours and can be fatal. Properly dispose of used batteries according to local regulations. Keep new and used batteries away from children. If you think batteries might have been swallowed or place inside any part of the body, seek immediate medical attention.

- Do not operate the product while the bike is being pedaled or any part of the bicycle is in motion.
- Do not mount Orbit Brightz™ on any moving part of the bicycle (e.g., gears, pedals, chain, brakes).
- This product is designed for use on bicycles only. Improper installation of product will interfere with bicycle operation.
